Dear Sir:

In response to the Office Action dated June 6, 2002, the Examiner is requested to reconsider the application in view of the comments and remarks set forth below.

### In the Claims

Please cancel claims 9-20 and add new claims 21-32 as follows. The unchanged pending claims are also presented below for the convenience of the Examiner.

1. A method for communicating language constructs of a language construct set comprising the steps of:

providing alternative visual stimuli to communicate language constructs of said language construct set by associating a unique color with each language construct of said language construct set; and

representing each language construct by utilizing its respective unique color.

2. The method of claim 1 further comprising the step of:  
disposing representations of language constructs on a computer readable indicia utilizing simple geometric shapes.
